DELUXE MASSAGE STICK

The Ultimate Deep Pressure Myofascial Release Therapy Tool

TECHNICAL SPECIFICATIONS

- Steel rod surpasses other stiff sticks in massage efficacy
- Ultra smooth and silent rolling action
- Deep pressure for muscular physiques and larger body types
- Perfect for warming up before, or cooling down after exercise
- Ease of self-use on all major muscle groups
- Comfortable handle allows for firm grip
- Great for athletes and non-athletes alike
- Comes with convenient carry bag

The SportKing Deluxe Massage Stick provides deeper pressure and is most appropriate for:

- More muscular physiques
- Larger body types
- Those that especially enjoy deep pressure

Improve work-out experience:

The deep pressure self-myofascial release tool promotes circulation across the body, improves flexibility, and decreases the risk of cramps during and after exercise.

Assist with recovery:

Use the SportKing Deluxe Massage Stick following exercise to reduce soreness, enhancing the recovery process that is needed to build new cells.
